Happiest People

"The happiest people don't necessarily have the best of everything,

they just make the best of everything they have".

Five simple rules to be happy:

1. Free your heart from hatred
2. Free your mind from worries
3. Live simply
4. Give more
5. Expect less! Things are to be used, but People are to be loved ...

Be yourself....This is the only day we HAVE - unknown
