

Photography Exhibit Guidelines

Photographs must be no larger than 8x10, but can be as small as you like.

The subject matter is not limited, but no vulgarity of any kind permitted - this is a family art show!

The photograph must have been taken by the registered photographer.

All photos must be in a frame or device that will allow the photograph to stand alone. (We will have some easels available for frames without a stand.)

No candles or electrical devices, including battery operated (such as lighted picture frames).

Entry forms will be available at the front desk. Fill out the entire Photography Exhibit Entry form.

You may enter as many photos as you would like.

You may start dropping off photographs on October 16th and they will be on exhibit until November 14th.

Staff reserve the right to reject any artwork that does not follow these rules.
