This is your Trans Aero MedEvac membership card. Cut this card out and keep it in your wallet alongside either your driver's license or health insurance card. Doing so will ensure it's seen before you're flown anywhere. This card acts as a request for Trans Aero MedEvac to be the ones who fly you to a hospital in an emergency.

Permanent Eddy County residents are automatically enrolled in Trans Aero's free air ambulance membership program. This program ensures that there is no remaining financial balance that needs to be paid by a patient if they're flown to a hospital by Trans Aero MedEvac. *Due to state regulations, Medicaid members are not eligible for this program.*

This benefit does not apply to all medical transport companies. This means it's important that you specifically request Trans Aero Medevac in an emergency. Patients are within their right to request a specific company for their transport.

Thank you to Trans Aero MedEvac and to our community partners who make this possible.
